Thinking About God

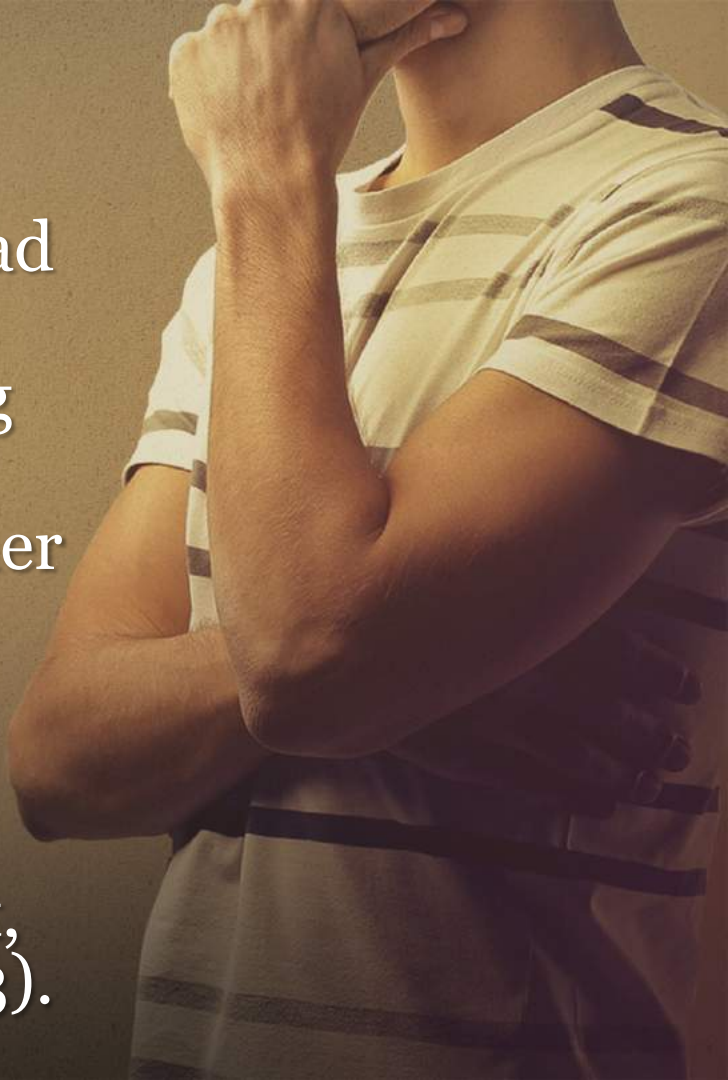
Romans 12:3

We Have to Read

- This is the only way God has revealed himself to us (Jd. 3).
- This is how we come to understand what the Apostles understood (Eph. 3:4).
- Even they were tested by what had been revealed (Acts 17:11).

We Have to Think

- It takes time to digest what we read (2 Tim. 2:7).
- We need to develop good thinking (1 Cor. 14:20).
- This involves putting ideas together and drawing conclusions (Matt. 16:1-4).
- It involves thinking about the value of things (Phil. 3:8).
- If you don’t work to understand it, you will lose it (Matt. 13:13, 19, 23).



Some Examples

- Why is this written?
- Consider the word therefore (Matt. 7:7-12).
- Think about paradoxes (1 Cor. 8:1; Jn. 8:32).
