

MY FORMER CONDUCT

Galatians 1:11-24

A SELECTED BIOGRAPHY

- This passage gives us more information than the book of Acts (Acts 9:26; 22:17; 26:19-20).
- This portion of Paul's life is reported to make a point (Gal. 1:11-12).
- You can see passion in the delivery (Gal. 1:20).
- In another place he gives pre-conversion details to suit the argument there (Phil. 3:3-7; Acts 22:3).

“FOR THOSE WHO LOVE GOD”

- Paul uses his history for the good of the gospel (Gal. 1:13-14, 23-24).
- He uses the circumstances of his travels opportunistically (Gal. 1:17-21).
- Just because we find good in our past doesn't mean it was the best path (2 Tim. 3:14-15).

“HE WHO ONCE...”

- Transformation is evidence of the gospel (Rom. 6:3-5).
- Is your life a reflection of the resurrected Christ (Gal. 1:24; 2:20)?
