

REGRETS AND RESOLUTIONS

Philippians 3:13

LOOKING BACK LOOKING FORWARD

- God has constantly called His people to look back in reflection and to look forward in resolution.
- There are cautions given in looking back (Phil. 3:13).
- There are also warnings given about looking forward (Jas. 4:13-15).

DEALING WITH REGRETS

- God is prepared to deal with failure (Gen. 4:6-7; Josh. 7:7-13).
- He is far more willing to deal with failure than we typically are (Lk. 17:3-4).
- When you have confidence in God's forgiveness, you can look at your failures with greater clarity (1 Tim. 1:12-15).
- This is the sort of reflection that leads ultimately to resolution and not regret (2 Cor. 7:10-11).
