

# A QUIET WORKMAN

2 Thessalonians 3:12

# A DIFFERENT PERSPECTIVE

- Our work isn't compartmentalized (Eph. 6:7).
- We have different priorities (Lk. 10:38-42).
- We even have a different perspective on the money we earn (Eph. 4:28).
- We can't ever be the "most loyal" employee (2 Cor 6:14).
- We even need to remember that God says take a break from work (Ex. 34:21).

# QUIETLY DOING GOOD

- We work like there is a greater reward than our paycheck (Eph. 6:8)
- We work like those who have obtained and trust in wisdom (Prov. 22:29; 14:23).
- We are absolutely honest (Luke 3:13).
- We are not complainers (Lk. 3:14).
- We are not gossips (2 Thess. 3:11-12).
- But we aren't out to "set everyone straight" (2 Thess. 3:12; Lk. 3:13-14).
- We are easy to get along with (Rom. 12:17-18).
- We go to work representing something greater than ourselves (2 Cor. 5:20).
- We live this life in constant readiness to tell people why we are this way (1 Pet. 3:15).
