

WHEN YOU WERE

# BAPTIZED

ROMANS 6

# BAPTISM IS DEATH

- If it is a death then it must be a burial (v. 3-4).
- It is a death to a way of life (v. 6-7).
- But with death, comes a resurrection (v. 4-5, 8-10).

# BAPTISM IS A COVENANT

- Notice the language of instruction.
- Consider what it means to present yourself as a slave to someone.
- This is what you agreed to when you were baptized.
- You can go back to sin, but then you also go back to death.

# WHAT HAPPENED AT YOUR BAPTISM

- The path to salvation is a simple one.
- You made a commitment.
- You may have forgotten that commitment.
- Some aren't looking to escape sin so much as trying to excuse it.
