John 15:26

THE CASE FOR MORE SERMONS

- He is mentioned 225 times in the New Testament.
- He is equal to the Father and the Son (Matt. 3:16; 28:19; 12:31-32).
- He is the author of God's revelation (2 Pet. 1:21; Heb. 3:7; 9:8; 10:15; Acts 4:25; 28:25).
- We need to have a consciousness of Him in our lives (1 Cor. 3:16; Eph. 4:30; Acts 19:2-3).

THE CASE AGAINST MORE SERMONS

- The Old Testament points primarily to Christ (Lk. 24:27).
- The New Testament points primarily to Christ (Jn. 14:26; 15:26; 16:13).
- His most visible work is already accomplished (1 Cor. 13:8-10).
- The Holy Spirit's work is to point attention elsewhere.
