*“You lust and do not have; so you
commit murder...” -James 4:2*

THE CURRENT SITUATION

- 1.2 million abortions per year in the US.
- 95% of abortions are performed on healthy mothers with healthy children.
- Rape only accounts for .5%

SPEAK THE TRUTH

- “Can we please stop calling it abortion?”
- It is the shedding of innocent blood (Psa. 139:13; Lk. 1:15, 44).

What made this ancient society sacrifice its own children?

Some 500 years ago, the Chimú in what is now Peru ritually killed hundreds of their young in the largest mass child sacrifice events known in world history. Now archaeologists are trying to understand why.

SPEAK THE TRUTH

- We need to try and stir up emotions (Ex. 2:2).
- Warning people is the only way they can find mercy (Jonah 4:2, 11).
- We need to remind ourselves of truth.

BUT WHAT ABOUT...

- What about this hypothetical scenario?
- What about babies after they are born?
- What about the life of the mother?
- What about the suffering of the child?
