

GLORY

Revelation 21:23

Glory Defined

- It is a distinctly relative term (Psa. 49:16-17; 138:5; cf. Gen. 31:1).
- It is a characteristic that can be witnessed and described (Psa. 97:6; Hab. 2:14).
- It is something that can be given (Psa. 115:1; 8:5).
- It has to do with weight (Job 6:3; Ex. 5:9; 8:15).
- It carries the idea of honor (Ex. 20:12; Prov. 3:35).
- It is connected to works (Psa. 19:1; 96:3; 104:31).
- God's glory is compared to light (Rev. 21:23; 2 Cor. 3:7-11).

Glory Applied

- Desiring glory is a tricky thing (Rom. 2:5-10; Prov. 25:27).
- It starts with understanding what is glorious (Matt. 6:28-29; 1 Pet. 1:24, 6-7).
- Our glory is tied up in His glory (Psa. 3:3; 16:9; 30:12; 106:20; Acts 2:26).
- So we are most glorious when we are reflecting our creator (1 Cor. 11:7; Matt. 5:16; Rom. 3:23).
