

SPIRITUAL REASONING

1 Corinthians 2:14-16

SPIRITUAL WISDOM & WORLDLY FOLLY

- Follow the word wisdom through Paul's argument (1 Cor. 1:17-2:13).
- Now consider the word foolishness (1 Cor. 1:18-2:14).
- This is not a matter of it being overly complex or even of it being overly simple (cf. 1 Cor. 5:2).
- This isn't a matter of whether you use your head, but how you use it (1 Cor. 2:14-15; 10:25-27; 4:3-4).
- Our efforts at growth can often be misguided because of this (1 Cor. 3:4-5).

CASE STUDIES

- How should we settle disputes between brethren (1 Cor. 6:1-11)?
- How should we handle the complications of marriage (1 Cor. 7)?
- What about meat offered to idols (1 Cor. 8-10)?
- What about spiritual gifts (1 Cor. 12-14)?
